~ Combination refers to whether two or more Qantas fares can be combined to construct an itinerary. When fares are combined, the most restrictive fare conditions apply to ticketing time limits, stopovers, combinability, sales restrictions, refunds, cancellations, no shows, changes and fees.

<sup>^</sup> Change Fees (for flights) are applied per passenger per ticket at the time of rebooking. Where a Change Fee applies, the fee charged is the Historical Change Fee in effect at the date of original ticket issue. Where a Change Fee applies in accordance with a ticketed fare, it must be receipted separately from the ticket using EMD-S. The EMD-S must be raised at the time of reissue and cross referenced to the new ticket number.

Note: No Change or Cancellation Fees apply unless indicated. However, service fees apply to changes made through Qantas Contact Centres, Qantas airport locations and some Travel Agents.

<sup>@</sup> Fare difference: If the Base Fare and/or Ticket Taxes have increased, the ticket must be reissued reflecting the additional Base Fare and/or Ticket Taxes with the Change Fee (if applicable) receipted separately from the ticket using EMD-S. Ticket Taxes mean all taxes, fees, levies and charges that are payable by the purchaser of an airline ticket, including amounts imposed by airports and taxing authorities and airline imposed charges such as fuel, insurance and environmental surcharges.

<sup>+</sup> No Show is defined as a passenger not having checked-in for the relevant sector as shown on their booking, without prior notification to the airline of a change or cancellation of that sector in accordance with the applicable fare conditions.

<sup>#</sup> Cancellation/Refund fee: Where a Cancellation/Refund Fee applies, the fee is charged per passenger per ticket and is the fee applicable on the date the Cancellation/Refund is made, regardless of the date of original ticket issue. The unused value of the ticket may be used as credit towards the purchase of a Qantas fare within 12 months of the original ticket issue provided the new base fare (excluding Ticket Taxes) is of equal or higher price. Only one Cancellation/Refund Fee will be applied per passenger per ticket. Note: Service fees may apply to Cancellations/Refunds made through Qantas Contact Centres, Qantas airport locations and Travel Agents.
